Help the old pirate finish his treasure map. Here is the information you need to draw on the map:		year 4	year 8
 a hut 3 km east of the treasure 			
 a large tree 2 km south of the lighthouse 			
 a cave on the south tip of the island 			
 a small lake 4 km north-east of the treasure 			
 a stream running straight between th lake and Captain's Beach. 			
Finish the map by:			
a.finishing the key			
b.drawing the things on the map.

NEMP Access Task

Commentary:

There was strong growth from year 4 to year 8 in the ability to complete a map with appropriate symbols in the proper locations. Year 8 students were generally quite good at this task. There was a slight decline in performance for year 4 students from 2003 to 2007. Māori and Pasifika year 4 students performed comparably, but Māori students did better at year 8 level.
