

Super Frog Beepo

Approach: Stations

Level: Year 8 only

Resources: Incomplete graph and text.

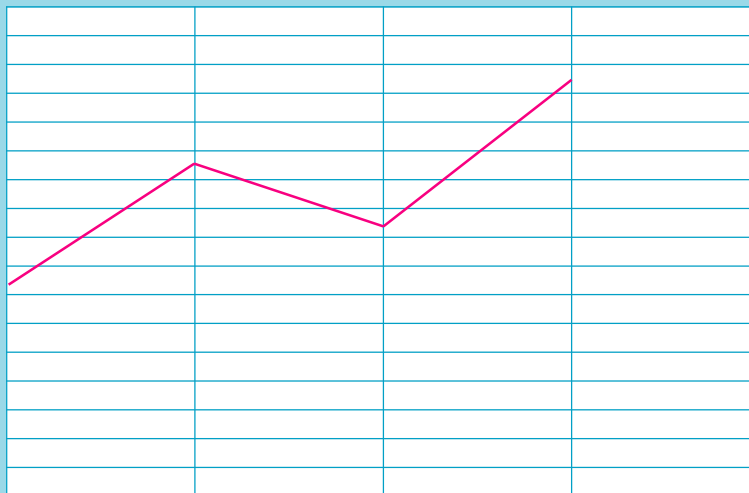

Questions/Instructions

Kelli is training her frog Beepo to do the long jump.
She wants Beepo to win the Super Frog Jumping Contest that room 14 are running.
At the end of each day she records Beepo's longest jump on a line graph.

- On Monday Beepo jumps 15cm.
- On Tuesday Beepo jumps 23cm.
- On Wednesday Beepo jumps 19cm.
- On Thursday Beepo jumps 29cm.
- On Friday Beepo jumps 27cm.

- 1 Finish Kelli's graph to show Beepo's jumps.
2. Write labels for the days and how far Beepo jumps.

Beepo's longest jumps

STUDENT RESPONSES

% answering correctly

Year 8

points on X axis labelled	49
overall label for X axis	10
points on Y axis labelled	28
overall label for Y axis	13
data accurate	41
