

Birthdays

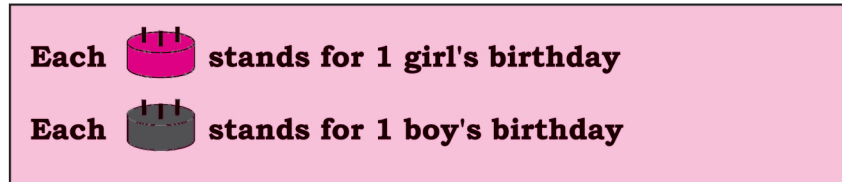

Approach: Station

Level: Year 4

Focus: Interpreting a pictograph.

Resources: Graph

Room 3 Birthday Graph

Questions/instructions:

Look at the Room 3 birthday graph.

- How many children have birthdays in December?
- Which month has the most birthdays?
- Which month has no birthdays?
- Which months have four birthdays?
- Which month has more birthdays for boys than girls?

% responses

Commentary:

Almost all year 4 students were successful in extracting single items of information from the graph. Where answers required relating two or more pieces of information, the success rate dropped markedly.
