

What's Happening

Approach: Station

Level: Year 8

Focus: Interpreting a bar graph.

Resources: Graph

Questions/instructions:		% responses
Look at the graph and answer the questions.		y8
1. Which year was the hardest for an apple farmer?	1997	79
2. How much did a farmer get for a box of apples in 1994?	\$16 - \$16.50	88
	16 - 16.5	4

	% responses
3. In which years were farmers paid 275 cents for each kg of milk solids?	y8
both 86-87 & 90-91	3
one of 86-87, 90-91	73
4. What were the best years for a New Zealand dairy farmer?	
both 81-82 & 82-83	27
one of 81-82, 82-83	54

Commentary:

Most year 8 students identified only one of the correct responses to questions 3 and 4.
