

# Danger

**Approach:** One to one

**Level:** Year 8 only

**Resources:** Four picture sets.

**Questions/instructions**

It is always important to care about our health and safety. Sometimes we are at places or doing things when our health or safety could be at risk. I want you to look at the pictures I will show you. For each picture I show you, I want you to tell me what dangers there might be for your health or safety, and what you could do to protect yourself.
