## Kōwhiringa — Options

Approach:One to oneFocus:Interpersonal skills.Resources:Recording book.

## Questions/instructions:

In this activity you will be thinking about some problems and different ways of solving those problems.

For each of the four problems, there will be some options for solving them.

I want you to make a decision about each option.

You will need to decide if it is a good choice or a bad choice for solving the problem.

We will look at the problems one at a time, and the options for dealing with them.

If you think the option is a good choice, tick the "good choice" column. If you think it's a bad choice, tick the "bad choice" column. If you just can't make up your mind, you can tick the "not sure" column.

## Use the following sequence for each of the 4 scenarios.

Complete each scenario before starting the next.

Read the problem to the student, then each of the options. After each option has been read, ask the student to decide which column they will tick.

## Once all options have been considered for the scenario, say:

There could be other good ways for trying to solve the problem.

See if you can think of another good way, and I'll write it in the blank space.

Now look at all of the options that you have ticked as good choices.

Choose one that you think is the best choice.

Why do you think that is the best choice?

Now let's look at the ones you've ticked as "not sure".

Why didn't you choose "good choice" or "bad choice" for those ones?

Repeat the sequence with each of the 4 scenarios.

Ko te kaupapa o tēnei mahi, hei whakaaro, hei whakatau hoki. Ka puta mai he raruraru.

Me whakarongo koe ki ētahi kōwhiringa hei whakaoti raruraru, arā, he huarahi kia tika te raru.

Me whakaaro koe, menā he whiringa pai, he kōwhiringa kino rānei.

Māku e pānui te raruraru, ā, ko ētahi kōwhiringa hei whakatika.

Ki te whakaaro koe, he kōwhiringa pai, tohua ki te pou mō ngā kōwhiringa pai. Ki te whakaaro koe, kei te kino, tohua ki te pou mō ngā kōwhiringa kino.Ki te kore koe e tino mōhio, ko tēhea te āhua o te kōwhiringa, kei te pai. Me tohu ki te pou "Kāore anō kia tau".

Whāia te whakatakotoranga mahi ki raro nei mō ngā whakaaturanga e 4.

Kua oti ia wāhanga, haere tonu.

Kaua e pekepeke ki tētahi raruraru hou, mēnā kaōre anō kia oti ia wāhanga. Pānuitia te raruraru ki te ākonga, ā, pānuitia hoki ngā kōwhiringa hei whakatika. Pātai atu ki te ākonga ko tēhea pou ka tohua e ia, hei te mutunga o ia kōwhiringa.

Kua whiriwhiria ngā kōwhiringa katoa e pā ana ki ia whakaaturanga, me kī:

He huarahi pai anō, pea; hei whakatika te raruraru?

Whakaaro mai tētahi atu kōwhiringa pai, māku e tuhi ki te wāhi wātea nei.

Nā, āta titiro ki ngā kōwhiringa katoa i tohua e koe hei huarahi pai.

Ko tēhea te mea tino pai rawa atu?

He aha koe i whakaaro ai ko tēnā te kōwhiringa tino pai rawa atu?

Nā, me titiro tāua ki ngā mea kāore anō kia tino whakataungia.

He aha koe i kore ai e whiriwhiri i te "kōwhiringa pai", "kōwhiringa kino" rānei mō aua mea?

Whakamahia anō tēnei raupapa mō ia wāhanga, mō ia wāhanga.
