Task: Hua Rākau Rekareka — Favourite Fruits

Approach: Station
Focus: Constructing a table
Resources: Frame for table in recording book, ruler
Kupu: tūtohi = table/chart

Questions / instructions:

I pātai atu a Ārihia ki ētahi o ana hoa, he aha te hua rākau e tino rekareka ana ki a rātou. Tokotoru i kī mai ko te āporo, tokoono ko te panana, tokorima ko te pītiti, tokorua ko te pea, tokotoru ko te paramu, tokotoru anō ko te ārani.

Whakaaturia ēnei kōrero ki tētahi **tūtohi**. Raupapahia ngā hua rākau, ka tīmata ki te hua rākau e tino hiahiatia ana koirā te mea tuatahi o te tūtohi.

Alison asked some friends what was their favourite fruit. Three said apples, 6 said bananas, 5 said peaches, 2 said pears, 3 said plums, and 3 said oranges.

Show this information on a table. Put the fruit in order with the most popular fruit at the top of the table.

		% responses
fruit arranged vertically		18
number correct for all fruit		18
order correct		10
two columns		14
labels for columns correct		14
label for table appropriate		4
Total score:	6	0
	5	8
	3–4	8
	1–2	6
	0	78
