32

te mita o te reo

65

the relationship of Rakiura and Te Waipounamu

3

the relationship of Rakiura and Te Waipounamu

13

Commentary:

Many students showed limited understanding of appropriate "kōrero" for research and inclusion in a "waiata". A few students were able to respond in some depth, with at least one reciting whakapapa linking Rakiura and Te Waka a Māui.
