**VIDEO SCRIPT:**

*TV reader - lady:*  
 "Tēnā koutou. Ko te iwa karaka i te pō i te tāone nui o Los Angeles. E noho rāhui ana tēnei tāone mai i te atatū tae noa ki te ahiahi pō. Neke atu i te tekau mā ono hāora i muri mai i te pahūtanga o te rā, kei te ohorere, kei te tumeke, kei te tauwhati tonu tēnei tāone. Koia nei te rā nui rawa atu i roto i ngā rua tekau tau kua pahure nei.

Kia whakawhiti atu tātou ki te pūrongo a Haimana Mercer.

*Haimana Mercer:*

"I pahū mai te rū i te haurua i te whā karaka i te atapō tonu nei. Ohorere katoa ana te iwi i a rātou e moe ana. I te pūaotanga o te ata ka kitea te tūkinotanga. Ngahoro ana ngā whare, ko ētahi e mura tonu ana. He waimarie ētahi, engari kāore ētahi i puta, kei te mau tonu i roto i te ngahorotanga o ngā whare. Kei te piki tonu te tataou o te hunga mate.

**Questions / instructions:**

He mahi rorohiko tēnei.

Pāwhiria te pūtohu **Te Rū Whenua**. Whāia ngā tohutohu a te rorohiko.

I whakaaturia tētahi rū whenua tino kino i te rīpene ataata. He nui ngā raruraru i te wā ka pā tētahi aitua nui pēnei i te rū whenua.

1. Tuhia ngā raruraru nui. Tuhia ko wai ngā tāngata e tika ana hei āwhina ki te whakapai i ngā raruraru.

**Commentary:**

Most students were able to identify at least two problems arising from the earthquake and relevant people to help with the problems. This indicates a reasonable ability to understand the news bulletin and extract the required information. Fewer students were able to identify four or more valid problems.
