

Chime Bars

Approach: Station

Level: Year 4 and year 8

Resources: The student was introduced and guided through this task by the presenter on the video. Chime bars were used to play six tunes which were of increasing complexity. The student was then required to identify the number of chime bars used in each tune and record these on an answer sheet.

Questions/instructions

Watch and listen to the video. Decide how many different chime bars are needed to play the music. Write the number of chime bars in the boxes.
