

Musical Movements

Approach: Station

Level: Year 4 only

Resources: The student was introduced to and guided through the task by the presenter on the video. The student was required to listen to 6 pieces of music and indicate which movement could best be done to that music. The answer sheet offered a choice of 4 kinds of movement for each piece of music

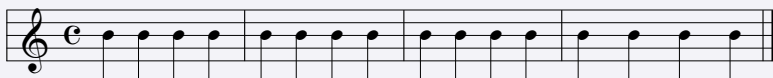

Questions/instructions

Listen to each piece of music and decide which activity on the list for that piece would be the best thing to do with that music.
