

Me and Science

<p>1. How much do you like doing science at school?</p>	<p>1. </p>
<p>2. How much do you think you learn about science at school?</p>	<p>2. heaps quite a lot some very little</p>
<p>3. Would you like to do more science or less science at school?</p>	<p>3. more about the same less</p>
<p>4. How often does your class do really good things in science?</p>	<p>4. lots sometimes never</p>
<p>5. What sorts of things do you like doing in science at school? Is there anything else you specially like doing in science? Can you tell me why you enjoy doing these things? Are there any things you don't like doing in science?</p>	<p>5. Teacher notes</p> <p>Responses on video</p>
<p>6. How good do you think you are at science?</p>	<p>6. </p>
<p>7. How much do you like doing science things in your own time – when you're not at school?</p>	<p>7. </p>
<p>8. Do you do some really good things in science in your own time – when you're not at school? [What do you like doing most in science in your own time?] Can you tell me why you [don't] like doing these things in your own time?</p>	<p>8. lots some never</p> <p>Responses on video</p>
<p>9. Do you want to keep learning about science when you grow up?</p>	<p>9. yes maybe no</p>
<p>10. Do you think you would make a good scientist when you grow up? Can you tell me why you think you would/might/wouldn't make a good scientist when you grow up?</p>	<p>10. yes maybe no</p> <p>Responses on video</p>
