

Questions / instructions:

Look at the picture of an early Māori food store.

1. Try to give 3 reasons why Māori made buildings like this for storing their food?

to keep pests out 78 93

to keep the food dry 13 23

to keep the food cool 6 10

to keep all food in one place so everyone can get to it easily 10 13

2. Why do you think the ladder can be moved away from the building?

to reduce the likelihood of people accessing the food inappropriately (e.g. theft) 8 7

to reduce the likelihood of animals getting in 72 88

Total score: 4-6 2 6

3 22 33

2 46 51

1 20 9

0 10 1

Commentary:

Students focused predominantly on protecting the food from animal pests.
