

R Resource Acknowledgements

The National Education Monitoring Project (NEMP) acknowledges the vital support and contribution of the people and organisations who have granted permission for the publication of their work in this report, in the illustration of NEMP assessment resources.

Copyright owners, as listed below, must be contacted directly to negotiate terms and conditions for any use other than that expressly permitted in the publication of NEMP resources and results. Where there is no reference given for a particular resource, the copyright ownership belongs to NEMP.
