| Task: |  | NEMP | Space Creatures |  |
| :---: | :---: | :---: | :---: | :---: |
| Approach: | Station | Access ${ }_{\text {Task }}$ | Year: | 4 \& 8 |
| Focus: | Interpreting a flow chart |  |  |  |
| Resources: | 5 pictures, chart in recording book |  |  |  |

## Questions / instructions:

The pictures show creatures from the planet Wackyglump.
Use this chart to find out what they are called.
Write the names of the space creatures.

## Commentary:

On average, about 80 percent of year 4 students and 90 percent of year 8 students correctly identified each creature using the flowchart.
