

Weekend Trip

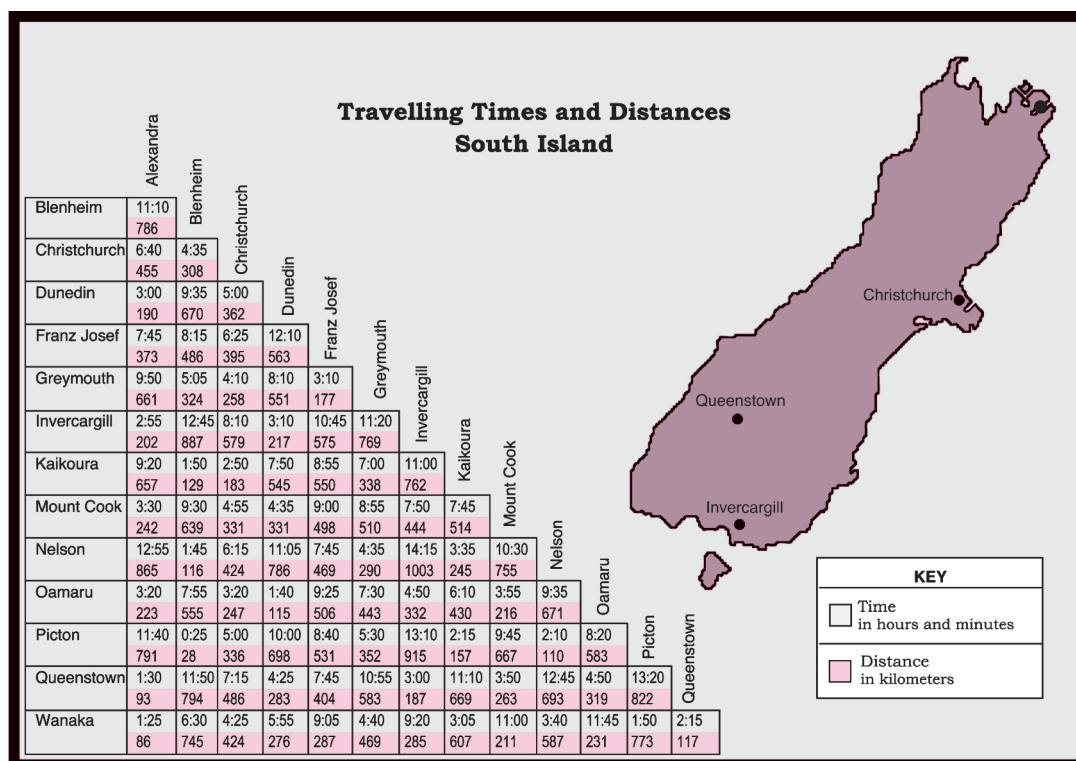

Trend Task

Approach: Station

Level: Year 8

Focus: Interpreting a travelling time and distance table.

Resources: South Island travelling time and distance table.

Questions/instructions:

Look at the table to work out the answers.

- How many kilometres is it from Invercargill to Queenstown? **187km** 65(65)
- How much time does the table say it will take to drive from Invercargill to Queenstown? **3 hours** 56(56)
- How much time does the table say it will take to drive from Queenstown to Wanaka? **2 hrs 15min** 60(60)
- How many kilometres is it from Invercargill to Christchurch? **579km** 59(60)

Total score: 4 42(41)
3 12(15)
2 12(11)
0-1 34(33)

Commentary:

The performances of the 1995 and 1999 year 8 students were almost identical.
