

Task: Te Tipihaere — Tripping Around

Approach: One to one

Focus: Interpreting a map

Resources: Map

Kupu:

Questions / instructions:

Tirohia te mahere o Te Ika a Māui. I tāngia tēnei mahere hei whakaatu i ngā tāwhitiwhiti i waenganui i ngā tāone.

Hoatu te mahere o Te Ika a Māui ki te ākongā. Mēnā e hiahia ana, māu e āwhina ki te kimi mai i ngā tāone.

In this activity you will need this map of the North Island. The map was designed to show driving distances between towns and cities.

Give student map of North Island. Help student locate cities if necessary.

1. E hia te tawhiti mai i Rotorua ki Tauranga?

How far is it from Rotorua to Tauranga?

60km

90

2. Me pēhea taku kimi i te tawhiti mai i Tāmaki-makau-rau ki Kaitaia?

How would I work out how far it is from Auckland to Kaitaia?

325km

52

3. Ki te hiahia haere ahau mai i Taupo ki Kirikiriroa mā te huarahi poto rawa, ka haere mā tēhea tāone?

If I wanted to go the shortest way from Taupo to Hamilton which town would I go through?

Tirau (Cambridge)

96

Commentary:

Most students succeeded with reading the map to answer questions 1 and 3. The addition involved in completing the answer to question 2 appeared to make that question harder.
