

Changes

Approach: Station

Level: Year 4 only

Resources: The student was introduced and guided through the six pieces of music by the presenter on the video. In each piece the student listened to a simple tune once then was required to record if the second playing incorporated more notes, more chords, or a different rhythm.

Questions/instructions

Video instructions:

What has been changed the second time the music is played.
Draw rings around the boxes to show your answers.
