# Point to plant parts as each question is asked.

Here is a picture of a blackberry plant.

Each part of the plant has a job.

I'm going to ask you about the parts of the plant.

	% responses

seeds from fruit grow into new plants	4	11
form of seed leads to dispersion by animals and birds	1	6
Total score: 5–10	3	19
3–4	22	36
1–2	62	41
0	13	4
Commontany		

#### Commentary:

About 30 percent more year 8 than year 4 students scored higher than 2, showing some understanding of the relationship between form and function for blackberry plants.
