

Making a Mask

Approach: Independent

Level: Year 4 and year 8

Resources: Video showing (these) photos of a mask being made; colour photo of completed mask; answer sheet showing (these) pictures (black and white).

Questions/instructions

This is what you need to do:

1. Watch the video which shows how to make a mask.
2. Look at the photo of the mask.
3. Under each picture write clear instructions which tell how to make the mask shown in the photo.

This is what is needed to make the mask

cardboard (30cm x 40cm)
coloured paper
scissors
gluestick
felt pen
paints
paintbrush

Start writing on the next page

Picture 1: fold cupboard in half 55 91

Picture 2: draw curve 47 63

Picture 3: cut along curve 89 95

Picture 4: draw mouth & cut out 39 68

draw mouth *or* cut out 37 27

Picture 5: draw eyes & cut out 42 71

draw eyes *or* cut out 47 27

Picture 6: paint right side red 47 63

paint red *or* paint right side 37 32

Picture 7: paint left side blue 46 62

paint blue *or* paint left side 41 32

Picture 8: two or three features 20 55

one feature 56 34

Picture 9:

run glue stick along uncut edge 48 63

Picture 10: two or three features 24 63

one feature 56 28

TOTAL SCORE: 13-16 21 57

9-12 43 35

5-8 26 7

0-4 10 1

HIGH RANGE

STUDENT 1: YEAR 8

STUDENT 2: YEAR 4

MID RANGE

STUDENT 3: YEAR 8

STUDENT 4: YEAR 4

first fold the piece of cardboard (30cm x 40cm) in half.

fold yo piece of paper in half.

Fold a bit of card board in Half.

First fold the cardboard.

then, on one half paint the mask red.

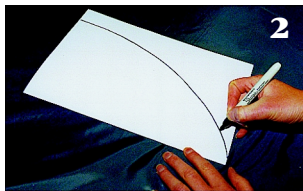

now paint the right side red

Paint one side of the mask (The right one) Red.

Paint one side Red.

Commentary

Fifty-seven percent of year 8 students gave a good to excellent description of how to make the mask, compared to 21 percent of year 4 students.

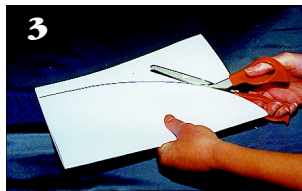

next get a pen and draw a line as shown

Draw about two cm from the top corner which isn't folded to the corner opposite it but it has to be curved.

Draw a curved line from the Top left corner to the Bottom Right.

Drawing a curve Diagonally.

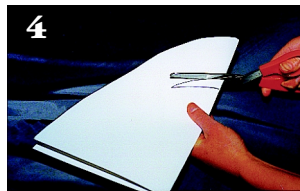

then, get a pair of scissors and cut down the line you have drawn with your pen.

cut along that line

Cut out Where the line is.

Cut the curve across the paper

after that, draw a smiley mouth near the bottom of the shape you have cut out.

draw a moon shape pointing inward and then cut that out

draw half a Bannana shape on the fold and then cut it out

Cut a mouth curvey

then, unfold the piece of cardboard and draw eyes near the top of the cardboard as shown.

unfold it then draw eyes & cut them out

Then draw the eyes Then cut them out.

Draw some eyes for the mash.

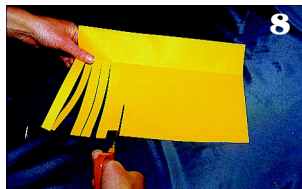

& on the other half Paint it blue.

now paint the left side blue

Then the other side Blue. Wait for paint to dry.

Paint the other side blue

Then get a piece of yellow card fold and cut as shown.

now get a piece of paper fold it at the top & cut strips at the rest of the paper

Cut slits in yellow card to make hair.

Cut some strips hanging from paper.

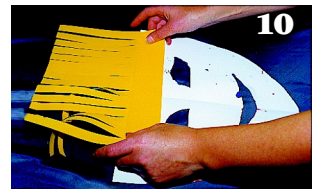

where you have folded the the card put glue there.

now put glue at the top bit of the paper

glue it with glue

glue the paper to get put on the head

& turn the mask over and stick the card on the back near the top. fold one strip down one up & so forth till you are finished. THE END.

now stick that at the top of the mask

Then place the hair on the mask do anything you want with the hair.

And stick the hair on
